ONE OF THE MOST DEPENDABLE SCOTCH SHORTHORN HERDS IN ILLINOIS TO BE SOLD IN ITS ENTIRETY.

BUYING OPPORTUNITIES THAT ARE TO BE FOUND ONLY IN A CLOSING OUT SALE . . . PLAN NOW TO ATTEND.

HAL LONGLEY, Sale Manager

16 South Locust Street

Aurora, Illinois

Minstrel Marvel, our former herd bull. This son of Melba Minstrel proved a great sire. Quite a number of the cows in this dispersion are by him. Look for them.

If you want to buy breeding cattle that would not be available under any other conditions; if you would like to strengthen your herd by adding the permanent members of one of Illinois' oldest and best Shorthorn collections . . . then you should attend the complete dispersion of the Bowers & McCoy herd on September 21st. Everyone knows this herd and all breeders have recognized it for nearly half a century as a dependable source of supply.

The breed will suffer a distinct loss when this fine collection of breeding cattle is scattered, but the buyers who are at the sale ring will reap rich rewards. Of particular importance is the fact that each family of cattle in the herd has proved itself prolific and profitable. Of equal importance is the fact that such great sires as Matchless Gainford, Maxwalton Mint, Paramour, Minstrel's Marvel and Helfred Majestic have been used during the past years. And it is very important too that the herd is accredited for BOTH T. B. and Bangs.

This dispersion sale will include 43 lots. Sixteen of the cows will have calves at foot and these calves, all sired by Helfred Majestic, are an outstanding group. Those who attend the sale will be impressed with the apparent thrift and dependability of every animal in the sale as well as the uniformly good color and quality. Unlike most closing out sales, all animals in this dispersion are fully guaranteed under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

The footnotes that appear beneath the pedigrees in this catalog are not overdrawn. In many cases the actual calving record is given. Study the catalog carefully and plan now to attend this important dispersion of one of Illinois' most dependable herds. Remember . . . the cattle may be inspected at the farm at Elmwood prior to the sale and the auction will be held at Abingdon.

HAI LONGLEY, of The Shorthorn World.

## A Dependable Source of Supply for a Half a Century

Newcallyn Gold Cupbearer (not selling). This was the champion and top bull at the last Illinois State Sale, selling to C. E. & H. K. Doubet. Several choice heifers in the sale will carry his service.

# A Few Important Facts About the Bowers & McCoy Herd

The late Henry G. Bowers and William McCoy, partners in the firm of Bowers & McCoy, Elmwood, Illinois.

This herd was established in 1899 by Henry G. Bowers and has been maintained continuously ever since.

The death of Mr. Bowers on March 23, 1946 makes this dispersion necessary.

Wm. E. McCoy has been a partner in the herd for the past 15 years.

This herd is Federally Accredited for T.B. (Date of last accreditation Nov. 30, 1945).

The herd is also State Accredited for Bangs. (Certificate No. 272. Date of last accreditation Jan. 23, 1946). Calfhood vaccination has been practiced for the past 18 months and all calves that have reached the proper age have been vaccinated.

Both members of this firm have been active in the affairs of the American Shorthorn Breeders' Association. Both have served terms as directors of the latter organization.

All three sons of Wm. McCoy . . . Donald, Gene and Fred . . . have made enviable junior club records, always with calves produced in the herd.

Cattle produced in this herd have been exhibited every year with success. During the many years this herd has been maintained, Bowers & McCoy have never held a public sale. The productions have always found a ready market privately and in leading consignment sales.

Although this is a complete dispersion, these cattle will be fully guaranteed under the standard form of guarantee endorsed by the American Shorthorn Breeders' Association.

The herd may be seen at the farm 3 miles north of Elmwood between now and sale day. The sale will be held in the pavilion at Abingdon, Illinois.

Helfred Majestic is one of the best known stock bulls in Illinois. His sons and daughters have been sold in many important consignment sales including the National Shorthorn Congress, the Illinois State Sales and the Abingdon Sales. Always they have attracted favorable attention from buyers. He is a son of the noted Fascinator and is out of the same dam as the twice International grand champion female, Rosewood of Helfred 4th. Although he is eight years old, he is in excellent condition, is very active and is a sure breeder. His picture on this page shows him as a young bull but he still looks very much the same. All of the younger cattle in the sale are by him.

Maple Rosemary—A very dependable brood cow that sells with a dark roan heifer calf at foot dropped April 10, 1946 and sired by Helfred Majestic. She will be rebred by sale day. A heavy milker.

Only in dispersion sales do you have the opportunity to buy, without reserve, the breeding matrons that have been responsible for building the herd reputation. The Bowers and McCoy herd, backed by nearly half a century of constructive planning, is one of the best known herds in Illinois. This sale provides an unusual buying opportunity. Don't forget . . . sixteen cows with calves at foot by Helfred Majestic and ten more in calf to him.
